

LIFTING THE LID

that restricts my Business Success

Relationship
Capital
with Dr Carlos

In this Free Seminar, Psychiatrist MBA , Corporate Coach and Founding Member of the John Maxwell Team, Dr Carlos A. Raimundo will address how to deal with external issues and pressures as well as those internal beliefs that *restrict* our ability to enjoy a more successful life.

In this Seminar you'll look at how to:

- Recreate or confirm your definition of success.
- Identify what conditions facilitate the best of you to emerge.
- Identify External and Internal issues that "cap" success.
- Discover limiting and disempowering beliefs that affect your potential.
- Create a practical and realistic breakthrough action plan.

Who should come?

You, and bring a friend or partner!

Business owners, Managers, the Self Employed, and those looking to start a business.
